Tennessee Walking Horse
National Celebration®*

August 24 - September 3, 2022

TO OUR EXHIBITORS

**Welcome to the 84th Annual Tennessee Walking Horse National Celebration®!
Your continued support and participation over the past 84 years has enhanced
The Celebration's standing as the World's Greatest Horse Show.**

It is the mission of The Celebration® to showcase the best of the Tennessee Walking Horse breed in world-class competition while providing Tennessee Walking Horse fans and visitors with high quality entertainment appealing to all ages. In support of this, we will continue to build and maintain an equestrian facility that is also available to host a variety of horse shows and other types of entertainment year-round. We will strive to conduct our business in such a way that it economically benefits the Middle Tennessee community, as well as, Tennessee Walking Horse breeders, trainers and owners.

Our class schedule, while somewhat similar from year to year, remains a work in progress. The goal is to provide a class schedule that will allow each exhibitor every opportunity to compete at the highest level. Input from exhibitors and trainers is invaluable as we work to make it better each year. Your comments have given us direction in making changes and improvements to this year's schedule.

Thanks, and Good Luck!

1. Inspection--All horses will be exhibited and judged under the rules of
SHOW, Inc. All Class entry sheets must contain the following information
before a DQP will inspect an entry:

1. Horse's registered name and registration number; 2. Trainer's name,
complete address & license number; 3. Owner's name and complete mailing

address, and 4. Exhibitor's name and complete mailing addresses. ***Each Performance Entry is charged a \$30.00 Per Entry***

Inspection Fee. All Flat Shod Entries are charged an initial \$30.00 Inspection fee for the first entry, and \$5.00 for each subsequent entry.

2. Interpretation of Rules--The Celebration® reserves to itself the final and absolute right to interpret these rules and regulations in any manner it deems proper. Exhibitors and other participants therein, as a condition of admission, consent to such method of settlement.

3. Judging--All awards in all classes will be made by five judges using the High-Low Olympic Judging System. Five judges working independently of each other will place each class. Judge number one will be the Call Judge. Points will be assigned to the placings on a one to ten basis with first place receiving ten points, second place receiving nine points, third place receiving eight points, and so forth on down to one point for tenth place. The highest placing and the lowest placing are eliminated for each entry. The remaining three placings are totaled and the entry receiving the most points wins the class. In case of a tie, then all five placings are added. If still tied, then the Call Judge's card will break the tie. If a horse receives four or fewer placings, only the top score is eliminated.

In case of computer failure, the MOS System will be used. The Celebration® reserves the right to select an alternate judge in case an emergency prevents an announced judge from serving.

4. USDA--Full cooperation with the United States Department of Agriculture in enforcing its rules authorized under the Horse Protection Act is required of Celebration® management and exhibitors. Persons may be designated by The Celebration® who will be authorized to inspect any animal anywhere on the grounds, including the stall area, if deemed advisable. Exhibitors, as a condition of admission, consent to such inspection. Horses presenting a bad image will not be permitted on The Celebration® grounds.

5. Responsibility--The Celebration® will not be responsible for any property of any kind that is lost, stolen, injured or damaged, in any manner whatsoever. Each Exhibitor shall be liable for any claim or loss caused by their horse or pony while on the grounds and for any claim or loss relating in any way to the acts or omissions of such exhibitor and his/her owner and shall indemnify and hold The Celebration® harmless against any such claims or losses.

WARNING

Under Tennessee Law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to Tennessee Code Annotated, title 44, chapter 20, (Acts 1992, ch. 974 & 6).

6. Proper Conduct at TWHNC® Sponsored Events--The Tennessee Walking Horse National Celebration® diligently supports professionalism, proper conduct, and genuine goodwill at its sponsored events. Hence, the following rules have been adopted by the Board of Directors.

The Celebration® reserves the right to refuse entry upon the show grounds and to refuse participation in any event or class to any person, including owners, trainers, exhibitors or spectators, whose conduct, in the opinion of show management, with respect to the treatment of animals or individuals, is deemed prejudicial to the best interests of The Celebration®. "Celebration®" and/or the rules of SHOW, Inc. shall be fully responsible for the enforcement of proper conduct rules covering all owners, exhibitors and trainers who participate in the show and/or exhibition. Unprofessional conduct, abusive, profane, threatening remarks or actions by any owner, exhibitor, trainer, or any person on their behalf, towards any official in the center ring shall result in his/her dismissal from the show ring, and any such owner, exhibitor or trainer may be suspended from further exhibiting horses at said show. Further, any person displaying unprofessional conduct, abusive, threatening, obscene, profane or disparaging remarks or actions (including signs, symbols, or clothing) on Celebration® property shall not be tolerated. Any person exhibiting such conduct may be barred from Celebration® property at the sole discretion of the Celebration®. The length of time a person may be barred will be determined by The Celebration®.

7. Ribbon Recipients--In the interest of the safety of our ribbon presenters, all ribbon recipients will be required to bring their entry to a complete stop when picking up their winning ribbon. This policy will prevent injury to our ribbon presenters and present a professional image to our spectators.

VIOLATION OF THIS POLICY WILL RESULT IN FORFEITURE OF RIBBON AND WINNINGS.

8. Protests--Any person lodging a protest must first deposit one hundred (\$100.00) dollars with The Celebration® for each animal protested. All protests must be in writing and signed by the protester. A protest must state the full name and address of each accused and contain a complete and definite statement of the act which constitutes the alleged violation. The maker must be prepared to substantiate the protest by personal testimony at a hearing or by sworn statements, witnesses, or other evidence. Protests must be received by noon the day following that on which the class in question was held. Exhibitors and their authorized agents are responsible for their own mistakes with regard to entry forms. Each entry form **must be signed** by the exhibitor or agent. When the entry form has been completed and checked by the entry personnel, one copy will be returned to you for your receipt. **TELEPHONE ENTRIES CANNOT BE ACCEPTED BY THE CELEBRATION® PERSONNEL. THIS INCLUDES THE PERSONNEL IN THE BARN OFFICE.**

11. Classic Horses--The Tennessee Walking Horse Industry has prided itself for many years on the fact that our horse is not only easy going and versatile, but very durable. Our horses continue to show at ages far beyond those shown in most other breeds. We are extremely proud of that fact, and The Celebration® wants to recognize it. During the 2022 Celebration®, we intend to recognize the "Classic Horse" throughout the event. This year we will again have Class 154 "Owner-Amateur Riders on Walking Horses, Classic Horses 15 Years and Over" to spotlight these special horses. It is important that you, the owner and exhibitor, indicate on your entry sheet when you have a horse that is 15 years old or older. We will make proper notation in the program and will be making

announcements throughout the show regarding this fact. Additionally, there will be special recognition for classic horses that win ribbons at the 84th Annual Tennessee Walking Horse National Celebration®. REMEMBER, you must make the proper notation as to horses that are 15 years old and older on your entry form.

12. Numbers--A number will be assigned to each horse at the time of making entries which will stand for the entire show and must be displayed whenever the horse is shown. **TO ENSURE THAT A HORSE WILL RECEIVE ONLY ONE ASSIGNED NUMBER FOR THE ENTIRE SHOW, PLEASE INCLUDE ALL ENTRIES FOR THAT HORSE ON THE SAME ENTRY FORM.** *If the horse is entered one time by the trainer and another time by the owner, the horse will receive two different numbers and this is not allowed. * (This does not apply to equitation classes where numbers are issued for the rider.) **Substitute numbers will not be issued.**

Exhibitors with lost and/or damaged numbers will be furnished supplies to repair or recreate original rider number at the Barn Office.

13. Dividing of Classes—The Celebration® reserves the right to divide any class into an A, B, C and/or D division when it is deemed appropriate.

14. Championship Classes—ALL horses placing 1st through 5th place in a qualifying preliminary class must show back in its corresponding championship class or will forfeit the premiums won in that preliminary class.

Exceptions: A horse qualifying for both an Open and Amateur Championship will only be required to show back in one of the corresponding championships. Any rider who qualifies two or more horses for the same Championship class is required to show only one horse back in that Championship class. If an owner shows multiple horses in multiple preliminary classes, each horse must show back in the class for which it qualified. If multiple horses have qualified in the same Riders Cup division (A & B, or A, B, & C), only one horse is required to show back in the qualifying championship. Mares and Geldings in the Open Performance classes will not be required to show in WGCs. Amateurs in Performance classes will not be required to show Mares and Geldings in the Two & Three-Year-Old WGCs. Requirement to show may be waived by legitimate veterinary-approved letter stating reason for inability to show. ***All Veterinarian excuses must be received by the entry deadline of the championship class. Any excuses turned in after the deadline will not be accepted and winnings will be forfeited.*** All other horses showing in

any Championship Class must have been previously entered, shown and judged in at least one other qualifying class at The 2022 Celebration® or TWHBEA Futurity.

Any unretired World Grand Champion entering the WGC Stake class must also have been entered, shown and judged in at least one other qualifying class. Entries entered, shown and judged in any Amateur three-gaited performance class will be eligible to enter the WGC Stake class with the same exhibitor.

An entry shall be deemed to have qualified for a Championship Class if in an appropriate qualifying class: (1) It is excused by a Judge after or during the initial lineup without request by the exhibitor to be excused (2) It has completed the class (SHOW Rule 3, Article G, Section h, Page 18.) To be “shown and judged” in any class in which horses compete together, an animal must perform all required gaits both ways of the ring in the original workout and must remain in the ring up to the point of being excused by the judge.

(SHOW Rule 3, Article G, Section i, paragraph iii, Page 18) In Performance classes, specialty horses may only qualify for Specialty Championships.

Also, in Performance classes, horses performing three gaits in a preliminary class are not eligible for Specialty Championships.

Barns 47 and 50, 52, 56, 60 @ \$208.50

The number of 'newer' stalls is limited; therefore, please limit your request for box stalls to only one box stall per horse that you are entering in The Celebration®. Exhibitors stabling off the grounds should not request more stalls than the maximum number of horses showing on any one given night or during Championships. We cannot provide stabling on our grounds for any horses that are not entered in our show. **Stall requests and payments are due when entries are made.** Exhibitors arriving prior to the Sunday before the show or staying past the Sunday after the show will be charged at the rate of \$12.00 per stall per day including tax. Prior reservations must be made with The Celebration® Entry Office for early arrival and late departure. Shavings will not be provided; however, shavings will be available for purchase at the Barn Office at Barn 10 at \$6.50 per bale including tax. **It will be the responsibility of the exhibitor to remove all stall decorations and accessories, including signs, bunting, mulch, etc., used in the beautification of their barn area once the show has concluded.**

We appreciate your enhancing the beauty of our show grounds during The Celebration®. Any physical alterations made to stalls (removal of doors, etc.) which are not repaired by exhibitors will be charged to exhibitors at the amount it costs The Celebration® to restore the stalls to their original condition. The removal of partitions between stalls will result in a minimum fee of \$100.00 per stall charged to the exhibitor.

There will be no third-party leasing of stalls. All barn and stall request changes must be made through the Administrative Office. Any permanent changes or alterations to any barn or stall must be previously approved by The Celebration® Administrative Office. All changes become property of The Celebration®.

18. Exhibitor Gate Permits--Exhibitor gate permits are not required for horse vans or cars or trucks pulling horse trailers in order to gain entrance to the show grounds.

HOWEVER, IF THE EXHIBITOR EXITS AND RE-ENTERS WITHOUT A TRAILER THROUGHOUT THE DURATION OF THE SHOW, A PERMIT IS REQUIRED. Space for automobile parking in the barn area is extremely limited and permits for such parking must be restricted. Security has the right to remove any vehicle or revoke any permit if deemed necessary. ***The gate permits are \$125.00 (including tax) each.*** Requests for these gate permits along with fees for same must accompany entry form when entries are made. Following the request of many exhibitors, The Celebration® will not be responsible for lost or stolen permits. The permits must be displayed at all times. Each permit will have a control number pre-printed on it.

19. Parking in The Barn Area--The Celebration® continues its efforts to make our barn area safer and more pleasant for exhibitors, spectators and trainers. We ask that you continue to work closely with our Security Personnel regarding parking in the barn area for trucks, vans, horse trailers, and cars. Your cooperation is appreciated and has allowed us to avoid making a hard and fast rule as to parking in that area. **Exhibitors must understand that having an Exhibitor Gate Permit does not guarantee you a place to park. It is a Gate A Pass only.** If there is not enough space available in the barn area, exhibitors with a Gate A pass may park in the Cash Parking lot across from Calsonic Arena at no cost. Trailers cannot be

parked in the barn area. Trailer parking is available in Lot A.

20. Refunds--50% of the entry fee and grounds fee will be refunded for any horse which does not show, regardless of circumstances. 22. Challenge Trophies--All Challenge Trophies will remain with and are the property of The Celebration®, Inc.

23. Youth Exhibitors-- Youth exhibitors, 12-17 years of age, may show in owner amateur classes for adult Riders. However, youth exhibitors, 12-17 years of age, cannot show the same horse in preliminary classes in both youth and amateur divisions. Youth exhibitors, 12-17 years of age, may show the same horse in an Amateur Championship if there is no Youth Championship class provided. Youth exhibitors, 17 years of age and under, are not eligible to show in professional (Riders Cup) classes. In addition, youth exhibitors, 17 years of age and under, may not show a yearling colt. Youth exhibitors may show any sex weanling. Youth exhibitors must be at

24. Measurements--All 15.2 and under horses and 60" and under ponies must be measured prior to first entrance into show ring during the normal pre-show inspection process. Show management reserves the right to measure any and all entries at the completion of a class.

25. Attire--It is the tradition of the show ring that riders, drivers and handlers be correctly attired for the classes in which they compete. Show management may, at its discretion, bar any entry or person from entering the ring if not suitably presented to appear before an audience. Penalties will be assessed for none compliance.

In addition, ***those entering the ring must be dressed in long trousers and collared shirts, and if wearing a hat or cap, it must be positioned forward. Barns or trainers not complying with stated rules will forfeit any winnings for class in which infraction occurs.***

26. Owner-Amateur Status--The Celebration® personnel will not be involved in checking ownership of horses in owner-amateur classes. The actual ownership of this animal will be determined, if a question arises, between the owner and SHOW, Inc. The Celebration® is very supportive of the efforts of SHOW, Inc. in this regard, and encourages you to enter your horses accurately and completely with regard to TWHBEA ownership.

SHOW, Inc. may require The Celebration[®] to retitle any classes in which horses have been improperly entered, including the redistribution of prize money and ribbons.

27. Exhibitor Tickets--One complete set of general admission tickets will be given for each horse entered. Tickets will be inside your barn packet at the Barn Office.

29. Prompt Entrance of Ring Required--Due notice will be served upon all exhibitors as to the time classes will be called, and all entries must be ready and waiting so that they may enter the ring promptly.

30. Handbills--The Celebration[®] is very proud of the interest you have shown in decorating and upgrading our barn area. The Stable Awards Contest is one of the highlights of our annual Celebration[®]. With this in mind, you are asked to refrain from placing handbills on the ends of the barns. Areas in the Barn Office and in the warm-up area of Calsonic Arena are designated for this purpose.

Persons may use hand held video equipment **ONLY**. No tripods may be used in either arena. Persons who video for personal use must be considerate of others around them. No videoing or photographing for commercial purposes will be allowed.

34. Use of Umbrellas--The policy of The Celebration® prohibits the raising and use of umbrellas at the Tennessee Walking Horse National Celebration®. The use of umbrellas creates a hazard to persons seated behind and obscures visibility of other ticket holders in the box seats and the grandstands. There is no prohibition to bringing an umbrella to the event. The restriction is levied against the raising of the umbrella at the seat or in the box. Plastic tents may NOT be erected in the box seat area or the grandstands.

35. Posting of Judges' Cards--The results of each performance are posted at the Barn Office for your review. Evening performances are posted by 8:00 AM the following morning, and the morning performance results are posted as soon as possible after the show. Results are also posted on www.twhnc.com following each performance.

36. Stable Decorating & Golf Cart Contests—Details TBA. The Celebration® takes pride in the attractive appearance of our show grounds. To uphold this standard, we request the full cooperation of our exhibitors at the completion of the show. Any doors, windows, or other openings you enclose should be replaced neatly and painted the barn's original color. Light fixtures or ceiling fans that are removed should have a cover placed over the outlet with no cords visible. Appropriate charges will be applied to those exhibitors in violation. Other guests of The Celebration® view the barns year-round; therefore, we would appreciate your help in maintaining the professional appearance for which we strive.

37. No Smoking--The Celebration® Board of Directors requests that there be ***no smoking or vaping (e-cig)*** inside The Celebration®, Champions, and Calsonic Arenas for the health, comfort and safety of all Celebration® guests, fans and entrants. Persons wishing to smoke may do so outside each arena in designated areas. In addition, smoking is not allowed in the barn area.

* Women should wear stylish dresses or pant suits with dress shoes.

39. Jurisdiction of Show Management--Violations of the following rules or

regulations of SHOW, Inc. or rules as stated by The Tennessee Walking Horse National Celebration® will be subject to the jurisdiction of Show Management and may require retying the class:

* Action devices used by an exhibitor which are prohibited by SHOW, Inc. or USDA rules.

* The exhibiting of any horse in a class in which said horse or exhibitor is ineligible to participate or compete.

* The exhibiting of any horse which is shod in a manner found in violation of SHOW, Inc. or USDA rules.

It is mandatory that any complaint or protest regarding the measurement of a horse be heard by Show Management. Show Management will then take such steps as it deems necessary to make a determination of the matter and will render a decision as quickly as possible. If found in violation, Show Management will also order that party to be disqualified, and to forfeit any prizes, money or points which may have been received.

40. Rider Violation--The Celebration® makes every effort to have the correct Riders listed in each class for spectators and record keeping purposes. **Trainers and Exhibitors are responsible for notifying The Celebration® Entry Office or the Barn Office of any rider changes.** The deadline for making rider changes at evening performances is **5:00 PM** on the day of the show. The deadline for morning performances is **8:00 AM** on the morning of the show. Incorrect Riders entering the class will receive one warning during the show. At the next rider violation, the entry will be excused from the class.

41. Novice Classes--A Novice Rider and Novice Horse Class is open to Riders and horses that have never won a blue ribbon in a Walking Horse saddle class at The Celebration®. (Exception: A winner in the Equitation Division will be eligible to show in novice classes.) Should a rider or horse win a blue ribbon in a class during the show, they are still eligible to compete in the novice division for the remainder of the show. It is the responsibility of exhibitors to determine eligibility for the novice division. If a protest is filed and the class must be retied, exhibitors must return the prize money, ribbon, and/or trophy to The Celebration® for redistribution.

42. Definition of Class Divisions--The Celebration® schedule of classes has been developed using SHOW's definition of class divisions. Exhibitors entering The Celebration® must choose to enter a horse in the Flat Shod, Show Pleasure and Park Performance, or Performance divisions, but will

not be allowed to enter the same horse in more than one division. The Performance Horse must perform with action devices and must be shown with a properly braced tail. Performance Horses must be shown in pads as required by the shoeing rules and regulations of SHOW. The Performance Horse pads must exceed those of the Park Performance Division. The Flat Shod Pleasure Horse must perform without the use of lubricants, artificial appliances, boots, pads or action devices. Braced tails are prohibited.

Every person making entries at The Celebration® is subject to the bylaws and Rules of SHOW, Inc and the local rules of the show. (SHOW Rule 3, Article A, Paragraph 2, page 7).

43. Timeout Policy--The Tennessee Walking Horse National Celebration®, working closely with the Walking Horse Trainers' Association and SHOW, Inc., has developed timeout policies for the world championship show that will shorten the program while remaining fair for exhibitors. **Timeouts will be limited to six minutes except in the case of thrown shoes.** Exhibitors in preliminary classes will have the option of replacing thrown shoes under the previous timeout rule of ten minutes, or be excused with the understanding that the excused entry has qualified for the appropriate championship. If a shoe is thrown prior to the class, it must be replaced in order to qualify for a championship. The Celebration® has an inventory of certain key pieces of tack available in center ring to replace broken equipment, including breast straps, girths, stirrups, action devices, etc. Lost action devices will be replaced with action devices available from the show farrier in center ring. A total of ten minutes in aggregate shall be allowed for each entry for authorized timeouts, but no more than two timeouts per exhibitor per class.

44. Amateur Owned & Trained Classes--Several "Amateur Owned & Trained, No Professional Training Within 90 Days" classes are scheduled throughout The Celebration®.

The SHOW, Inc. rule book states "A person is an amateur who, after his/her 18th birthday, does not engage in any activities which would cause him or her to be classified as a professional." (SHOW Rule 3, Article F, Section 1, Page 12) If there is a question of whether a person is a professional or an amateur, final determination shall be made by SHOW. (SHOW Rule 3, Article F, Section 1, paragraph 3, Page 13)

45. Riders Cup Classes-- An additional fee of \$10.00 is required to enter these

classes and is included in the entry fee for those classes. All Riders Cup fees collected are paid directly to the Walking Horse Trainer's Association and are not refundable.

46. Leases-- Leases are accepted at The Celebration®; however, all leases must be processed through and approved by the Tennessee Walking Horse Breeders and Exhibitors Association (TWHBEA). If a horse is going to be shown under a lease agreement, a copy of that lease agreement will be due at the time of entry deadline on August 2, 2022. The Celebration recognizes the Tennessee Walking Horse Breeders' & Exhibitors' Association as the official record of ownership so the lease must be on file with TWHBEA and a copy presented with the entry before the entry deadline for the 2022 Celebration.

47. Radio channel access on grounds-- Radio channel 89.1 FM is available on the show grounds to monitor classes in either Calsonic Arena or the main Outdoor Arena during morning or evening performances. This service is provided in addition to the Public Address System. In the event of a failure of the Public Address system in the barn area, activities in these venues can still be monitored.

48. Drug Testing-- Every exhibitor may be subject to drug testing. Horses will be randomly selected for testing with an emphasis on class winners. Every exhibitor shall, upon request of show management or representative thereof, permit a specimen of urine, saliva, blood or hair to be taken from the exhibitor's horse for testing. Refusal to comply with the request will result in the immediate disqualification of the horses from further participation at the show.

THE FOLLOWING STATEMENT HAS BEEN ISSUED BY SHOW, INC:

“PERSONS SUSPENDED AS A RESULT OF HPA OR SHOW VIOLATIONS CANNOT TRANSPORT HORSES TO THIS SHOW AND CAN PARTICIPATE ONLY AS A SPECTATOR!”
