11. Classic Horses--The Tennessee Walking Horse Industry has prided itself for many years on the fact that our horse is not only easy-going and versatile, but very durable. Our horses continue to show at ages far beyond those shown in most other breeds. We are extremely proud of that fact, and The Celebration® wants to recognize it. During the 2026 Celebration®, we intend to recognize the "Classic Horse" throughout the event. This year we will again have the class "Owner-Amateur Riders on Walking Horses, Classic Horses 15 Years and Over" to spotlight these special horses.. We will make proper notation in the program and will be making announcements throughout the show regarding this fact.

Additionally, there will be special recognition for classic horses that win ribbons at the 88th Annual Tennessee Walking Horse National Celebration®. REMEMBER, you must make the proper notation as to horses that are 15 years old and older on your entry form. For eligibility, a horse must be 15 years old by January 1 of the year in which it is shown.

12. Numbers--A number will be assigned to each horse at the time of making entries which will stand for the entire show and must be displayed whenever the horse is shown. **TO ENSURE THAT A HORSE WILL RECEIVE ONLY ONE ASSIGNED NUMBER FOR THE ENTIRE SHOW, PLEASE INCLUDE ALL ENTRIES FOR THAT HORSE ON THE SAME ENTRY FORM.** *If the horse is entered one time by the trainer and another time by the owner, the horse will receive two different numbers, and this is not allowed. *(This does not apply to equitation classes where numbers are issued for the rider.) **Substitute numbers will not be issued.**

Exhibitors with lost and/or damaged numbers will be furnished supplies to repair or recreate original rider number at the Barn Office.

13. Dividing of Classes—The Celebration® reserves the right to divide any class into an A, B, C and/or D division when it is deemed appropriate. The Tennessee Walking Horse National Celebration reserves the right to review and adjust any class division selected at entry. If an entry is placed in the wrong division, or if a change is needed to comply with the class conditions, rules, or intent, The Celebration may reassign the entry to the appropriate division. All class division placement decisions are final.

14. Championship Classes—ALL horses placing 1st through 5th place in a

qualifying preliminary class must show back in its corresponding championship class or will forfeit the premiums won in that preliminary class. **Exceptions:** Horse qualifying for both an Open and Amateur Championship will only be required to show back in one of the corresponding championships. Any rider who qualifies two or more horses for the same Championship class is required to show only one-horse back in that Championship class. If an owner shows multiple horses in multiple preliminary classes, each horse must show back in the class for which it qualified. If multiple horses have qualified in the same Riders Cup division (A & B, or A, B, & C), only one horse is required to show back in the qualifying championship. Mares and Geldings in the Open Performance classes will not be required to show in WGCs. Amateurs in Performance classes will not be required to show Mares and Geldings in the Two & Three-Year-Old WGCs. Requirement to show may be waived by legitimate veterinary-approved letter stating reason for inability to show. **All**

Veterinarian excuses must be received by the entry deadline of the championship class. Any excuses turned in after the deadline will not be accepted and winnings will be forfeited. All other horses showing in any Championship Class must have been previously entered, shown and judged in at least one other qualifying class at the 2026 Celebration® or TWHBEA Futurity.

Any unretired World Grand Champion entering the WGC Stake class must also have been entered, shown and judged in at least one other qualifying class. Entries entered, shown and judged in any Amateur three-gaited Performance class will be eligible to enter the WGC Stake class with the same exhibitor.

An entry shall be deemed to have qualified for a Championship Class if in an appropriate qualifying class: (1) It is excused by a Judge after or during the initial lineup without request by the exhibitor to be excused (2) It has completed the class (SHOW Rule 3, Article G, Section h, Page 18.) To be “shown and judged” in any class in which horses compete together, an animal must perform all required gaits both ways of the ring in the original workout and must remain in the ring up to the point of being excused by the judge.

(SHOW Rule 3, Article G, Section i, paragraph iii, Page 18) In Performance classes, specialty horses may only qualify for Specialty Championships. Also, in Performance classes, horses performing three gaits in a preliminary class are not eligible for Specialty Championships.

15. Championship Entries—ALL ENTRIES IN CHAMPIONSHIP CLASSES ARE TO BE STABLED ON THE GROUNDS 48 HOURS PRIOR TO THE CHAMPIONSHIP CLASS.

We cannot provide stabling on our grounds for any horses that are not entered in our show. **Stall requests and payments are due when entries are made.** Exhibitors arriving prior to the Sunday before the show or staying past the Sunday after the show will be charged at the rate of \$15.00 per stall, per day, including tax. Appropriate charges will be applied to those exhibitors in violation. We ask for your cooperation in leaving your area just as it was when you arrived on the show grounds. We appreciate your enhancing the beauty of our show grounds during The Celebration®. Any physical alterations made to stalls (removal of doors, etc.) which are not repaired by exhibitors will be charged to exhibitors at the amount it costs The Celebration® to restore the stalls to their original condition. The removal of partitions between stalls will result in a minimum fee of \$100.00 per stall charged to the exhibitor.

There will be no third-party leasing of stalls. All barn and stall request changes must be made through the Administrative Office. Each permit will have a control number pre-printed on it.

19. Parking in The Barn Area--The Celebration® continues its efforts to make our barn area safer and more pleasant for exhibitors, spectators and trainers. Your cooperation is appreciated and has allowed us to avoid making a hard and fast rule as to parking in that area. **Exhibitors must understand that having an Exhibitor Gate Permit does not guarantee you a place to park. It is a Gate A Pass only.** If there is not enough space available in the barn area, exhibitors with a Gate A pass may park in the Cash Parking lot across from Cooper Steel Arena at no cost. The Celebration® is very supportive of the efforts of SHOW, Inc. in this regard, and encourages you to enter your horses accurately and completely with regard to TWHBEA ownership. SHOW, Inc. may require The Celebration® to retie any classes in which horses have been improperly entered, including the redistribution of prize money and ribbons.

34. Use of Umbrellas--The policy of The Celebration® prohibits the raising and use of umbrellas at the Tennessee Walking Horse National Celebration®. The use of umbrellas creates a hazard to persons seated behind and obscures visibility of other ticket holders in the box seats and the grandstands. Plastic tents may **NOT** be erected in the box seat area or the grandstands.

36. Stable Decorating & Golf Cart Contests—Details TBA. The Celebration® takes pride in the attractive appearance of our show grounds. To uphold this standard, we request the full cooperation of our exhibitors at the completion of the show. Any doors, windows, or other openings you enclose should be replaced neatly and painted the barn's original color. Light fixtures or ceiling fans that are removed should have a cover placed over the outlet with no cords visible. Appropriate charges will be applied to those exhibitors in violation. Other guests of The Celebration® view the barns year-round; therefore, we would appreciate your help in maintaining the

professional appearance for which we strive.

37. No Smoking--The Celebration® Board of Directors requests that there be ***no smoking or vaping (e-cig)*** inside The Celebration®, Champions, and Cooper Steel Arenas for the health, comfort and safety of all Celebration® guests, fans and entrants. Persons wishing to smoke may do so outside each arena in designated areas. In addition, smoking is not allowed in the barn area.

38. Center Ring Presenters--The Celebration® Board of Directors, in an effort to ensure conformity of appearance for those participating in center ring activities, has outlined the following acceptable attire for this festive occasion:

*Men should wear suits or dress slacks with shirt tucked, a jacket and dress shoes

*Women should wear a stylish dress, or pants suit, with dress shoes

39. Jurisdiction of Show Management--Violations of the following rules or regulations of SHOW, Inc. or rules as stated by The Tennessee Walking Horse National Celebration® will be subject to the jurisdiction of Show Management and may require retying the class:

* Action devices used by an exhibitor which are prohibited by SHOW, Inc. or USDA rules.

* The exhibiting of any horse in a class in which said horse or exhibitor is ineligible to participate or compete.

*The exhibiting of any horse which is shod in a manner found in violation of SHOW, Inc. or USDA rules.

It is mandatory that any complaint or protest regarding the measurement of a horse be heard by Show Management. Show Management will then take such steps as it deems necessary to make a determination of the matter and will render a decision as quickly as possible. If found in violation, Show Management will also order that party to be disqualified, and to forfeit any prizes, money or points which may have been received.

40. Rider Violation--The Celebration® makes every effort to have the correct Riders listed in each class for spectators and record keeping purposes. **Trainers and Exhibitors are responsible for notifying The Celebration® Entry Office or the Barn Office of any rider changes.** The deadline for making rider changes at evening performances is **5:00 PM** on the day of the show. The deadline for morning performances is **8:00 AM** on the morning of the show. Incorrect Riders entering the class will receive

one warning during the show. At the next rider violation, the entry will be excused from the class.

41. Novice Classes--A Novice Rider and Novice Horse Class is open to Riders and horses that have never won a blue ribbon in a Walking Horse saddle class at The Celebration®. (Exception: A winner in the Equitation Division will be eligible to show in novice classes.) Should a rider or horse win a blue ribbon in a class during the show, they are still eligible to compete in the novice division for the remainder of the show. It is the responsibility of exhibitors to determine eligibility for the novice division. If a protest is filed and the class must be retied, exhibitors must return the prize money, ribbon, and/or trophy to The Celebration® for redistribution.

42. Definition of Class Divisions--The Celebration® schedule of classes has been developed using SHOW's definition of class divisions. Exhibitors entering The Celebration® must choose to enter a horse in the Flat Shod, Show Pleasure and Park Performance, or Performance divisions, but will not be allowed to enter the same horse in more than one division.

The Performance Horse must perform with action devices and must be shown with a properly braced tail. Performance Horses must be shown in pads as required by the shoeing rules and regulations of SHOW. The Performance Horse pads must exceed those of the Park Performance Division. The Flat Shod Pleasure Horse must perform without the use of lubricants, artificial appliances, boots, pads or action devices. Braced tails are prohibited. Every person making entries at The Celebration® is subject to the bylaws and Rules of SHOW, Inc and the local rules of the show. (SHOW Rule 3, Article A, Paragraph 2, page 7).

43. Timeout Policy--The Tennessee Walking Horse National Celebration®, working closely with the Walking Horse Trainers' Association and SHOW, Inc., has developed timeout policies for the world championship show that will shorten the program while remaining fair for exhibitors. **Timeouts will be limited to six minutes except in the case of thrown shoes.** Exhibitors in preliminary classes will have the option of replacing thrown shoes under the previous timeout rule of ten minutes or be excused with the understanding that the excused entry has qualified for the appropriate championship. If a shoe is thrown prior to the class, it must be replaced in order to qualify for a championship. The Celebration® has an inventory of certain key pieces of tack available in center ring to replace broken equipment, including breast straps, girths, stirrups, action devices, etc. Lost

action devices will be replaced with action devices available from the show farrier in center ring. A total of ten minutes in aggregate shall be allowed for each entry for authorized timeouts, but no more than two timeouts per exhibitor per class.

44. Amateur Owned & Trained Classes--Several "Amateur Owned & Trained, No Professional Training Within 90 Days" classes are scheduled throughout The Celebration®. The SHOW, Inc. rule book states "A person is an amateur who, after his/her 18th birthday, does not engage in any activities which would cause him or her to be classified as a professional." (SHOW Rule 3, Article F, Section 1, Page 12) Professional training shall include grooming, warming up or riding the horse, coaching, corrective or informative instruction by a professional on the show grounds, a professional hauling a horse that is AOT to a horse show. Bracing is not allowed by a professional. If there is a question of whether a person is a professional or an amateur, final determination shall be made by SHOW. (SHOW Rule 3, Article F, Section 1, paragraph 3, Page 13)

45. Riders Cup Classes-- An additional fee of \$10.00 is required to enter these classes and is included in the entry fee for those classes. All Riders Cup fees collected are paid directly to the Walking Horse Trainer's Association and are not refundable.

46. Leases-- *Leases are accepted at The Celebration®; however, all leases must be processed through and approved by the Tennessee Walking Horse Breeders and Exhibitors Association (TWHBEA). If a horse is going to be shown under a lease agreement, a copy of that lease agreement will be due at the time of entry deadline on **July 28, 2026.***

***TWHBEA will be on-site at Entry Deadline for any nominations, transfers & leases that need to be made.** The Celebration recognizes the Tennessee Walking Horse Breeders' & Exhibitors' Association as the official record of ownership so the lease must be on file with TWHBEA and a copy presented with the entry before the entry deadline for the 2026 Celebration.*

47. TWHBEA Horse/ Exhibitor Show Cards—*TWHBEA Horse/ Exhibitor cards will be available for purchase on the show grounds. They can also be purchased at TWHBEA website: <https://twhbea.com/showcard/>, by phone (with credit card) by calling (931)359-1574. Horses and Exhibitors will be unable to show without either of these.*

48. Radio channel access on grounds-- Radio channel 89.1 FM is

available on the show grounds to monitor classes in either Cooper Steel Arena or the main Outdoor Arena during morning or evening performances. This service is provided in addition to the Public Address System. In the event of a failure of the Public Address system in the barn area, activities in these venues can still be monitored.

49. Drug Testing-- Every exhibitor may be subject to drug testing. Horses will be randomly selected for testing with an emphasis on class winners. Every exhibitor shall, upon request of show management or representative thereof, permit a specimen of urine, saliva, blood or hair to be taken from the exhibitor's horse for testing. Refusal to comply with the request will result in the immediate disqualification of the horses from further participation at the show.
