Once you have added all the classes, click on **DOCUMENTS**. You can upload the Coggins and any other health documents if you have them available. If not, you can skip this and click **CONTINUE TO CART**. If you do not upload Coggins and health papers, you will have to provide them to the show PRIOR to receiving your back numbers.

The screenshot shows the 'Documents' step, labeled 'Step 3 of 3'. The title 'Documents' is in bold. Below it, a message states: 'Documents you upload here are saved to your document vault. Next show, valid documents will be suggested for selection.' A light gray box contains an information icon and the text: 'Not required to submit your entry. You can upload these later from My Shows dashboard.' Under the heading 'Horse Health Documents', there is a section for 'Horse' with a blue circular icon containing a white horse head silhouette and a gray rectangular input field. Below this is a red-outlined box with a white 'X' icon and the text 'Coggins'. At the bottom is a large light gray rectangular area with the text 'Upload or Drop'.

To add additional horses and classes, click on **ADDL. ENTRY (1)**. If you are finished entering all horses, click on **CHECKOUT (2)** to submit the entries.

The screenshot shows the bottom section of the interface. At the top right, there are two buttons: 'Add Membership' and 'Addl. Entry'. A red number '1' is positioned above the 'Addl. Entry' button. Below these buttons is a light gray box with an information icon and the text: 'You must checkout before your information will be sent to the show secretary for review.' At the bottom is a large blue button with the text 'Checkout'. A red number '2' is positioned above the 'Checkout' button.
